Events in Mayo

National Spring Clean

Ceathru Thaidhg Ceathru Thaidhg, Primary School in Ballina have organized their National Spring Clean event for the 18th of April. The children from second class upwards, along with teachers and parents will collect rubbish from the different small villages around the Ceathru Thaidhg area. Since they are a Gaelscoil they will be conversing "As Gaeilge" while collecting the rubbish and tidying up their town.

Litter has become a major problem in the Ballyheane area so in conjunction with An Taisce the members of Ballyheane Community Council are organising a clean up of both Ballyheane village and its surrounding areas. This is an ambitious project so they are looking for as many volunteers as possible to get involved. The clean up will take place on Sunday, April 19th and the volunteers will congregate at the Community Centre at 2.30p.m., and collect the necessary supplies and be assigned to a particular stretch of road.
